Cookie Policy

EXTERNAL - Version 1 - December 2022

1. Introduction

The website <https://neuroclues.com/> is an initiative from P³LAB, having its registered office at rue du Morimont 33, 1341 Ottignies-Louvain-la-Neuve, company number 0750.746.841, email contact info@p3lab.com (hereinafter “we”, “us” or “our”).

This policy concerns the use of cookies that is made on the website <https://neuroclues.com/>.

The policy may be updated from time to time.

This policy explains how we use cookies. This policy does not affect your rights under applicable data protection regulations. More information in this respect can be found in our [Privacy Policy](#).

2. Cookies

Cookies are small data or text files placed on your local computer by websites and applications. Certain information is saved in this text file and helps us to identify any errors or remember technical choices, such as for instance your choice of language. When you visit our website later again, this cookie then returns to our website. This way, the website can recognize your browser and can show you our website in the language that you indicated.

Cookies usually also have an expiration date. For example, some cookies are automatically deleted when you close your browser (so-called session cookies), while others can be stored longer on your computer, sometimes until you delete them manually (so-called permanent cookies).

3. Types of cookies

We distinguish the following types of cookies, according to their necessity and purposes:

- **Essential or strictly necessary cookies:**

These cookies are necessary for the website to function and cannot be disabled in our systems.

They are usually set only in response to actions taken by you, such as setting your privacy preferences, logging in or filling in forms. They are necessary for proper communication and they facilitate navigation (e.g. returning to a previous page, etc.).

- **Non-essential cookies:**

These cookies are not in themselves necessary for the website to function, but they help us offer an improved and personalised website. More specifically, they include:

- **Statistical or analytical cookies:**

These cookies allow us to track visits and traffic so that we can measure and improve the performance of our website. They can help us know which pages are most and least popular and how visitors move through the website.

- **Marketing cookies:**

These cookies can be set by our advertising partners through our website. They allow you to interact with third party websites. These third parties may use this information to compile a profile of your interests and show you relevant ads on other sites.
